T H E
Humble ADDRESS and PETITION
OF THE
GENTLEMEN, CLERGY, TRADERS, and FREEHOLDERS
of the COUNTY PALATINE of LANCASTER;

Presented to the KING, on the 18th Day of *December*, 1775, by the Right Hon.
Lord George Cavendish, Lord Richard Cavendish, Sir Michael Le Fleming, Bart. &c.

To the KING's Most Excellent MAJESTY.

May it please your Majesty,

* W *

E your Majesty's most dutiful and loyal Subjects, the GENTLEMEN, CLERGY, TRADERS, and FREEHOLDERS, of the County Palatine of LANCASTER, beg Leave to approach the Throne, with the most respectful Assurances of our inviolable Attachment and Affection to your Majesty's Royal Person and Illustrious Family, and our unaffected Zeal for the firm Support of your Majesty's Government, the Dignity of your Crown, and the Prosperity of this once happy and united Empire.

IN the present alarming and critical Situation of public Affairs, it becomes every Man, who glories in the Name of BRITON, to drop every inferior Consideration and Distinction, and sedulously endeavor to avert those Calamities which threaten your Majesty's Dominions.

ANIMATED with these Sentiments, We humbly and earnestly implore your Majesty to indulge the natural Propensities of your Heart, in the Exertion of your Royal Influence, for the Re-establishment of Peace and Harmony betwixt GREAT-BRITAIN and the COLONIES in AMERICA, by such Means as may immediately put a Stop to the dreadful and destructive Consequences of a most unnatural Civil War. These Sentiments, We feel ourselves constrained to lay before your Majesty, with all Humility, lest, by our Silence, it might be imputed to Us, that We were consenting to the Opinions and Wishes of Severity and Coercion, which have of late been repeatedly expressed to your Majesty in certain Addresses to the Throne: Such Addresses, however well-intended, We cannot approve, because We apprehend the Measures therein recommended, may be very doubtful in their Success, and fatal in their Consequences.
